

**Remarks**

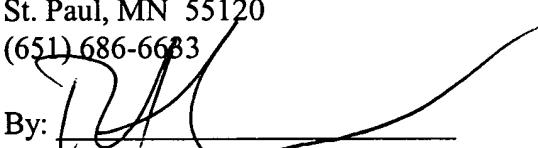

The amendments are primarily made to correct two spelling or typographical errors; specifically, the typographical error is regarding a serial number for which the correction was easily retrieved and verified via the U.S. Patent Office PAIR database.

Any amendments herein are not made for the purpose of patentability.

A favorable response is earnestly requested. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is encouraged to contact the undersigned at 651/686-6633.

Respectfully submitted,
